

The Book of Kings Project

Reign Information Interview

The text of your page will include the blazons of your heraldry, the names of the peers you elevated, a listing of the wars and favorite events you attended and an overview of your favorite achievements from the reign. If you have anything additional you would like included, please attach it to this interview page so that it can be provided to the project coordinator and the scribe for your Reign page.

Thank you for participating in this momentous project!
